Dear Colleagues,

The Organizing and Scientific Committee cordially invites you to participate in the **1st International Conference on Environment, Technology and Management (ICETEM)**. The conference is organized by the Department of Environmental Engineering of Niğde Ömer Halisdemir University (Turkey). ICETEM will be held in Niğde, Turkey, from June 27 to 29, 2019.

ICETEM aims to bring together the issues and experts on environment, technology and management. It provides *not only* a unique platform of eminent Professionals, Scientists, Researchers, Academicians, and Entrepreneurs across the globe to participate and share their research advancements and new technologies *but also* an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields.

ICETEM provides the new Academic Incentive Criteria. Speakers from at least 5 different countries will participate in ICETEM. The official presentation language of the ICETEM is English or Turkish. Abstracts should be written as English language in microsoft word file. They will be reviewed by at least two independent peer reviewers. Full Papers can be written as English or Turkish language in microsoft word file.

ICETEM proceedings will be published in e-Book. We are in contact with national and international scientific journals. Some selected articles to be presented in the conference will be published in Special Issues of the journals, after review process.

We would like to invite you for ICETEM to share your expertise, experience and research results in the field of environment, technology and management. We will be delighted to host you in one of the Cappadocia region cities, Niğde (Turkey).
