PUBLIC AND MUNICIPAL RENEWABLE ENERGY PROJECT
(P179867)

TERMS OF REFERENCE FOR
PROCUREMENT EXPERT
(Ref: PUMREP/WB/IND-PE-01)

1. BACKGROUND

The Ministry of Environment, Urbanization and Climate Change has applied for financing from the World Bank toward the cost of the Public and Municipal Renewable Energy Efficiency Project (PUMREP) and intends to apply part of the proceeds for consulting services. The implementation period will end on July 31, 2028. Financed by the proceeds of the Loan Agreement signed between the Ministry of Treasury and Finance, the Project holds a budget of USD\$549 million IBRD loan, US\$3 million Energy Sector Management Assistance Program (ESMAP) grant. The overall objective of the Project is to increase the use of renewable energy (RE) through self-generation in public facilities.

The Project will support investments in central government and central-government-affiliated facilities (e.g., public buildings under central ministries, universities, dormitories and hospitals) and will be implemented by the General Directorate of Construction Affairs (GDCA) under the Ministry of Environment, Urban and Climate Change (MoEUCC). Buildings will be identified through the application list of public buildings, which can then be prioritized based on eligibility criteria.

The Project will include three components: (i) RE investments in central government buildings, to be implemented by MoEUCC; (ii) RE investments in municipal buildings, to be implemented by İlbank; and (iii) technical assistance (TA) and implementation support, for both MoEUCC and İlbank.

The General Directorate of Construction Affairs (GDCA) established a project implementation unit (PIU) which is responsible from implementation of Component 1, 3a and 4a of the project such as selection of the facilities, procurement of the various consultants and contractors (e.g. feasibility studies, energy audits, technical designs, installation of RE systems, renovation works, construction supervision, savings verifications, technical assistance or consultancies, etc.).

Within the framework of the Public and Municipal Renewable Energy Efficiency Project, a Procurement Expert (PUMREP/WB/IND-PE-01) will be employed at Project Implementation Unit of the General Directorate of Construction Affairs of Ministry of Environment, Urbanization and Climate Change (MoEUCC).

2. OBJECTIVES

The main objective is to employ an experienced consultant as a Procurement Expert of GDCA PIU

to assist in the project implementation activities as follows:

3. SCOPE OF THE SERVICES

- a. The Consultant shall provide procurement management services to the GDCA's PIU during the course of procurement process and ensure that the approved Procurement Plan is followed, and the requirements of the World Bank Procurement Regulations are satisfied.
- b. The Consultant shall support PIU for the preparation of Project Procurement Strategy for Development (PPSD) and Procurement Plan, and its updates, including necessary market sounding.
- c. The Consultant shall support PIU to record all Project procurement actions in the World Bank's Electronic Planning and Tracking tool (STEP).
- d. The Consultant shall prepare procurement advertisements and all sorts of bidding documents for consulting services, goods, works and non-consulting services in accordance with the World Bank Procurement Regulations stipulated in the Legal Agreements, for all selection methods (RFP, RFB, RFQ etc.) and review the completeness of the document before submission of the document to the World Bank for "no objection".
- e. The Consultant shall prepare and review all parts of the procurement documents, including, cost estimates, sections such as technical specifications, BOQs, TORs, etc. of the bidding documents and check the consistency of these sections with the other sections of the standard or sample bidding documents of the World Bank and make necessary recommendations for changes where required.
- f. The Consultant shall provide assistance to the PIU during the evaluation of bids/proposals to ensure that are submitted in accordance with the requirement and shall prepare the standard evaluation report accordingly.
- g. The Consultant shall assist the GDCA's PIU in finalization of contract negotiations and prepare the "Memorandum of Understanding" which is part of the contract. The Consultant coordinates the PIU to complete the contracting process timely.
- h. The Consultant shall support the GDCA in the management of the signed contracts. In this regard, the Consultant (i) will establish and monitor key performance indicators with necessary reporting obligations (reports to be prepared by the contractors and also the Consultant); (ii) will support the PIU in the interpretation of the contract clauses; (iii) support the PIU in case dispute matters arise between PIU and contract parties; and (iv) control the delivery of goods, works and services, in a satisfactory manner, and, upon completion of the services and/or works and/or delivery of goods, s/he shall prepare a "control report" to coordinate with the Finance Expert towards initiating the payment process.
- i. The Consultant shall ensure the files and documents related to procurement are recorded and organized rigorously. The Consultant will keep the recording of all procurement-related documents in hard and soft copies and in an orderly manner to meet the requirements of the Treasury and the World Bank to be ready for the annual audits. S/he shall support the GDCA with providing justifications and explanations as requested during the regular audits of the project.

A detailed list of services will be provided to the Procurement Expert upon contract of

employment.

4. REPORTS

The Consultant shall submit monthly progress reports at the end of each month summarizing the monthly procurement activities, problems encountered in the implementation of procurement plan during the subject month and procurement activities planned in the next two months.

5. DURATION OF THE SERVICES
