**SEISMIC RESILIENCE AND ENERGY EFFICIENCY IN PUBLIC BUILDINGS**  
**PROJECT**

**REQUEST FOR EXPRESSIONS OF INTEREST**  
**FOR**

**INDIVIDUAL CONSULTANT**  
**(ELECTRICAL ENGINEER)**  
**(Ref: WB/INDV-EE-02)**

The Ministry of Environment and Urbanization has received financing from the World Bank for the cost of the Seismic Resilience and Energy Efficiency in Public Buildings Project (SREEPB) and intends to apply part of the proceeds for consulting services.

General Directorate of Construction Affairs (GDCA) of The Ministry of Environment Urbanization and Climate Change (MoEUCC) will serve as the main implementing agency for the Project. The overall objective of the Project is to improve the disaster resilience and energy savings in selected central government buildings, and to strengthen the policy framework and institutional capacity to develop, finance and implement resilient and sustainable public buildings in Türkiye. The implementation period for the project is 6 years.

The consulting service (“the Services”) includes the hiring of a full-time **Electrical Engineer (WB/INDV-EE-02)** to support the GDCA's Project Implementation Unit. The selected consultant is expected to be awarded with a one-year renewable contract.

The detailed Terms of References (TORs) for the assignments can be found at the following web page address: <https://kamuguclendirme.csb.gov.tr/>

The General Directorate of Construction Affairs now invites eligible individual consultants (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The attention of interested Consultants is drawn to paragraphs 3.14, 3.16, and 3.17 of the World Bank’s Procurement Regulations for IPF Borrowers – November 2020 (“Procurement Regulations”) setting forth the World Bank’s policy on conflict of interest.

<https://thedocs.worldbank.org/en/doc/178331533065871195-0290022020/original/ProcurementRegulations.pdf>

Consultants will be selected in accordance with the Approved Selection Methods for Individual Consultants set out in the Procurement Regulations. The contract will be signed between the General Directorate of Construction Affairs of MoEUCC and the consultant.

Expressions of interest (CVs) in Turkish and English, together with one-page application letter must be delivered to the address below in person or by e-mail, indicating the title and the reference code for the applied position in the subject line. The deadline for application is **August 5, 2025; at 4:00 p.m. (Türkiye Time)**.

Further information can be obtained at the address below during office hours from 10:00 a.m. to 4:00 p.m. Türkiye time.
